Subject:	Request for a public hearing for the Bowers/Kosuth Project
Date:	Tuesday, March 15, 2011 3:49:41 AM

I am requesting that a public hearing be held for this project. It is time the good people who live and love the State of Maine are given an opportunity to express why this project should not be allowed.

For FOSM,
Denise Hall
28 Blackbrook Road
Bryant Pond, ME 04219
