Subject: gargantuan Wind Projects do not belong in Maine"s Scenic Lakes Regions
Date: Saturday, March 26, 2011 2:19:36 PM

As a camp owner in Flagstaff Overlook, I respectfully request that you hold public hearings on all of these gargantuan projects that will disrupt the scenic beauty that is the foundation of the Maine economy and way of life. These should be located in the upper west/Midwest.

Sincerely,

Paul Averill Liebow MD FACEP
