Southwest Harbor Quadrangle, Maine

Coastal landslide hazard mapping by

Stephen M. Dickson

Digital cartography by:
John B. Poisson
Susan S. Tolman

Robert G. Marvinney
State Geologist

Cartographic design and editing by:
Robert D. Tucker
Stephen M. Dickson

Funding for the preparation of this map was provided by the Maine Coastal Program, Maine State Planning Office under the Coastal Zone Management Act of 1972, as amended, administered by the Office of Ocean and Coastal Resources Management, National Oceanic and Atmospheric Administration, pursuant to Award Nos. NA170Z1123 and NA04NOS4190041.

Additional funding for the preparation of this map was provided, in part, through a cooperative agreement with the Maine Emergency Management Agency under a Federal Emergency Management Agency Emergency Management Performance Grant.
