Dear Administrator Bose:

Re: Proof of Non-Federal Financial Commitment for the Federal Railroad Administration's Consolidated Rail Infrastructure and Safety Improvements (CRISI) program.

In partnership with the Vermont Agency of Transportation, the St. Lawrence & Atlantic Railroad (SLR) requests a FY23 CRISI grant in the amount of \$ \$9,654,789.23 for the "Tri-State Regional Rail Upgrade" project.

This letter provides a written commitment that if awarded a CRISI Grant at the requested amount, SLR will provide a match of up to \$ \$9,849,835.47 in cash and project income as outlined in the funding application.

If you need further information, please do not hesitate to contact me. Thank you.

Sincerely,

Rick McClellan
