

INTERNATIONAL ASSOCIATION OF MILK CONTROL AGENCIES APPLICATION FOR MEMBERSHIP

Regular Membership is available to any duly constituted governmental milk marketing regulatory agency. Representatives of member agencies are eligible to hold office and are members of the executive committee.

Associate Membership is available to parties involved with the dairy industry. Associate Members are entitled to fully participate in all affairs and activities of the Association, except the right to vote, hold office, or be a member of the executive committee.

Associate Membership is open to any group or organization that has an interest in improving the dairy industry.
