Dear Mr. Donovan:

This letter will serve as your Chapter 22 variance permit for your 2009 Roadside Brush Control Program in the towns of Mapleton, Castle Hill and Chapman, and brush control under power lines for Maine Public Service Company. As you may recall, the Board has authorized the staff to approve repeat variance requests when no problems were experienced the previous year. Your permit is based upon your company adhering to the precautions listed in Section X of your June 30, 2009 application.

We will be notifying the Board at their August 28 meeting that this permit has been issued. If you have any questions about this matter, please feel free to contact me at your earliest convenience.

Sincerely,

Henry Jennings
Director
