RE: 2011 Chapter 22 Variance Permit

Dear Mr. Legasse:

This letter will serve as your variance permit for your 2011 Vegetation Management Program along roadway curbing, sidewalks and median strips in the City of Brewer and the Town of Veazie. As you may recall, the Board authorized staff to approve repeat variance requests when no problems were experienced the previous year. Your permit is based upon your company adhering to the precautions listed in Section X of your May 19, 2011 application.

We will be notifying the Board at their July 15, 2011 meeting that this permit has been issued. If you have any questions concerning this matter, please feel free to contact me at 287-2731.

Sincerely,

Henry Jennings
Director
Maine Board of Pesticides Control
