SUMMARY

This amendment provides additional direction to the Department of Agriculture, Food and Rural Resources, Board of Pesticides Control with regard to certification requirements and license fees. It delays the certification requirement for private applicators of general use pesticides for food production until April 1, 2015. It specifies that a person certified as a commercial applicator or private applicator of restricted use pesticides is not required to obtain additional certification to apply general use pesticides for food production. The amendment adds an appropriations and allocations section.
