BOARD OF PESTICIDES CONTROL
APPLICATION FOR VARIANCE PERMIT
(Pursuant to Chapter 29, Section 6 of the Board's Regulations)

I. Donald J. DuBois (207) 316-8016 (cell)
Name Telephone Number

DuBois Contracting
Company Name

295 St. John Rd. Fort Kent Me 04743
Address City State Zip

II. Area(s) where pesticide will be applied:

Fort Kent Dike along St. John River

III. Pesticide(s) to be applied:

Rodeo, Liberate, Blue Dye

IV. Purpose of pesticide application:

Total elimination of all vegetation
on the rocky portion of dike on the river
side, ~~of the~~ per requirements of Federal
government

V. Approximate dates of spray application:

mid to late August while vegetation
is active and river is at its lowest

VI. Application Equipment:

manual Back Pack

VII. Standard(s) to be varied from:

Allowable use of this product on a
dry flood plain (rodeo) (use within 25'
of high water mark.)

VIII. Reason for variance:

So vegetation control may be allowed
using rodeo, liberate and dye within the
high water mark level

IX. Method to assure equivalent protection:

Will incorporate use of low pressure back
pack application with rodeo instead of round-
up to minimize leaching, use liberate is a
non-ionic surfactant containing drift control
agent and defoamer all in one. Will use blue
dye to reduce over application.

We are also planning application date of mid-
August to assure river level is at its lowest,
with no wind where temperature will allow for
fastest drying time and no suspension of spray

Signed:

Date:

5/5/11
