*Architect / Engineer
Procurement Process*

The standard procurement process of Architect and Engineer design services for public improvements is a Qualification Based Selection (QBS) process per statute (Title 5, §1742 subs. 6), described briefly here.

- 1.) The [advertisement](#) of this Request for Qualifications is the initial step in the process after the Agency assures that the project itself approved and funded. A clear scope of services statement is an essential component of the advertisement.
- 2.) [Interested firms respond](#) to the Request for Qualifications (RFQ) as described below, submitting the Letter of Interest and Statement of Qualifications to the Selection Committee.
- 3.) The [Selection Committee screens all submissions](#) and invites the most qualified firms to interview for the project, typically three to five firms.
- 4.) The [Selection Committee interviews the firms](#).
- 5.) The [Selection Committee ranks all of the interviewed firms](#). The Committee [negotiates an agreement](#) with the highest ranked firm based on the scope of professional services identified in the RFQ and interview.
- 6.) A [BGS Professional Services Agreement](#) is drafted.
- 7.) An insurance certificate and approved agreement is required before work commences.
