PRE-QUALIFIED FOR Architectural  
STATEMENT BY FIRM Design Group Collaborative is a thoughtful and creative architectural design firm. Our focus is to provide sustainable, energy efficient design for all projects. Design Group Collaborative (DGC) provides architectural and interior design services from pre-design and programming through construction administration. A majority of DGC's work is with Non-Profit Organizations and the Government ranging from office space planning to meeting rooms and laboratory design. DGC is a Woman Owned Small Business (WOSB).
