STATEMENT BY FIRM Summit, established in 1994, is a Maine-based firm providing Environmental Investigations & Remediation Design, Environmental Compliance, Industrial Hygiene & Construction Materials Testing. With offices located in Augusta, Bangor, and Lewiston, Summit provides state-wide service. Our staff is experienced working on a wide variety of public and private sector projects with a successful history working with State of Maine entities including BGS, MaineDOT, MEARNG, Maine DEP, Land for Maine Futures, UMaine Systems & Maine Housing Authority. Our projects range in size from the assessment & investigation of small parcels to land tracts in excess of 500,000 acres, from demolition/renovation of existing structures to new building construction. Summit is a Maine DEP Brownfields consultant with environmental site investigation, VRAP & remediation expertise.
