Re: Revised Letter

Dear: Randall Greenwood, Androscoggin County Commissioner
Elaine Makas, Androscoggin County Commissioner
Jonathan LaBonte, Androscoggin County Commissioner

On August 5th, the Board of Corrections met to review and take action on the proposed county correctional services budgets. This has been a difficult and arduous process. All members of the Board appreciate your cooperation and continued efforts to finalize the correctional services budget process for the counties. It would not have been accomplished without your participation.

The Board of Corrections has set a growth limit of 6.0% for the correctional services budget for Androscoggin County. The itemized budget submitted for your county does not exceed your growth limit, therefore the board accepts the county's correctional services budget for FY10 at a total of \$4,654,650. Based on the growth rate, you will receive \$367,310 from the Investment Fund. This represents your allocation out of the \$3.5 million general fund appropriation for FY10.

Thank you for your continued cooperation and assistance. If you have any questions about the Board's decision, please contact Scott Ferguson, the Board's fiscal agent at Scott.Ferguson@maine.gov.

Sincerely,

Neale A. Duffett

All members of the Board appreciate your cooperation and continued efforts to finalize the correctional services budget process for the counties. It would not have been accomplished without your participation.

The Board of Corrections has set a growth limit of 5.0% for the correctional services budget for Aroostook County. Thank you for your continued cooperation and assistance. If you have any questions about the Board's decision, please contact Scott Ferguson, the Board's fiscal agent at Scott.Ferguson@maine.gov.

Re: Revised Letter

Dear: Carol Grose, Sagadahoc County Commissioner
Lawrence M. Dawson, Sagadahoc County Commissioner
Alan J. Houston, Sagadahoc County Commissioner

On August 5th, the Board of Corrections met to review and take action on the proposed county correctional services budgets. This has been a difficult and arduous process. All members of the Board appreciate your cooperation and continued efforts to finalize the correctional services budget process for the counties. It would not have been accomplished without your participation.

The Board of Corrections has set a growth limit of 12.8% for the correctional services budget for TBRJ (Two Bridges Regional Jail). The itemized budget submitted for your county does not exceed your growth limit, therefore the board accepts the county's correctional services budget for FY10 at a total of \$6,252,242. Based on the growth rate, you will receive \$938,032 from the Investment Fund. This represents your allocation out of the \$3.5 million general fund appropriation for FY10.

Thank you for your continued cooperation and assistance. If you have any questions about the Board's decision, please contact Scott Ferguson, the Board's fiscal agent at Scott.Ferguson@maine.gov.

Sincerely,

Neale A. Duffett
Chairman of the Board of Corrections
