

MAINE WILDFIRE ARSON REWARD PROGRAM

- Wildfires caused by arsonists endanger human lives.
- Arsonists destroy homes and other high value property.
- Between 2006 and 2010, Arsonists started 316 wildfires in Maine, costing taxpayers thousands of dollars.
- Fires have a devastating effect on timber, water, air quality, and wildlife habitat.
- Wildfires kill young trees - the timber for tomorrow.

If you have any information regarding
arson related wildfires, please call
1-800-987-0257

Your call will be kept in strict confidence!

Landowners and law abiding citizens can help stop wildfire arson by reporting suspicious activity and taking notes on vehicle registrations, time, date and physical descriptions of violators.
