

Weddings

The beauty of Maine State Parks provides a spectacular background for your wedding ceremony or reception. Whether you choose a coastal setting such as Moose Point or Roque Bluffs, or perhaps a ceremony on the shores of Moosehead Lake at Lily Bay State Park, our staff is eager to work with you to ensure your day will be a memorable one.

Things to remember about Maine State Park weddings:

- Special permits are not usually required for weddings, but some plans do require special permission. We urge you to plan your event carefully with the park manager to prevent surprises and disappointments on the big day.
- In addition to shelter reservation fees, regular day-use fees apply. Arrangements may be made with park staff to pay these fees in advance.
- Catering is permitted, but keep in mind, our parks are Carry-In, Carry-Out facilities. Whether you hire an outside caterer or provide your own food, all trash must be removed at the end of the event.
- If you choose a park without an available group shelter, certain canopy tents may be permitted. Specific questions regarding tents and structures should be directed to the park manager.
- Since parks are open to the public, privacy cannot be guaranteed, and wedding ceremonies tend to draw onlookers. Please consider this, especially where photography is concerned.
- Maine weather is unpredictable. Contingency plans are an absolute must for an outdoor wedding, especially when choosing a park without a group shelter.
- Alcoholic beverages are prohibited.
