AUGUSTA, MAINE 04333-0028

WALTER E. WHITCOMB
COMMISSIONER

HENRY JENNINGS
DIRECTOR

PESTICIDE RENEWAL / DISCONTINUANCE

A renewal form listing all currently registered products is sent to each registrant or submitting agent at least 30 days prior to the annual expiration date of December 31.

IMPORTANT:

- Registration fee is **\$160** per product.
- **ENCLOSE ONLY** the pesticides renewal form and check.
 - **Do not** include fees for other types of registrations, licenses, programs, or divisions.
 - **Do not** enclose new product registration applications.
 - **Do not** enclose revised labels with renewals.
(Email revised labels at time of revision to pesticides.registrar@maine.gov.)
- **DO NOT CHANGE** any information on the renewal form other than as instructed. Call the pesticides registrar at 207-287-2731 or email at mary.e.tomlinson@maine.gov to request changes.
- **MAIL ALL PAGES of the renewal form** and the check, by **December 31, 2014**, to the address on the renewal, "Attention: Pesticides Registrar".

Discontinuance/Cancellation:

- Products to be discontinued should be re-registered for a minimum of two years after the last distribution of said products. No additional product is to be shipped into Maine once product is placed in discontinuance.
- Registrants remain accountable for any unregistered product found in the marketplace. Unregistered pesticide products detected in the marketplace are subject to immediate STOP SALE, USE, OR REMOVAL ORDER.

Certificates of Renewal:

- Maine does not issue certificates of renewal.
- Evidence that the products have been successfully renewed for the next registration year may be obtained from the National Pesticide Information Retrieval System public website:
http://npirspublic.ceris.purdue.edu/state/state_menu.aspx?state=ME. Enter company name, select the applicable Maine company number, then select "Display Products".

General Use Pesticide Dealers License:

- **Maine law requires all** manufacturers, wholesalers, and distributors selling, shipping, or delivering pesticide products and/or *Bt* corn seed into or within Maine to be licensed as General Use Pesticide Dealers with few exceptions.
- To request a copy of the law (including the list of exempted products) or a license application, please contact the Maine Board of Pesticides Control at 207-287-2731, email at gary.fish@maine.gov, or visit our pesticide dealer web page at http://www.maine.gov/dacf/php/pesticides/distributor_certification_and_licensing.shtml.
