Air Emission License
Transfer**

After review of the file and related materials submitted with regard to the above noted application, pursuant to Title 38, M.R.S.A., Section 590 and Chapter 2 of the Department Regulations, the Department finds the following facts:

- I. Spencer Press, an RR Donnelley Company (Spencer), has requested the transfer of Air Emission License A-38-70-F-R from Spencer Press of Maine, Inc. to Spencer Press, an RR Donnelley Company through a letter to the Bureau of Air Quality dated November 18, 2005. Air Emission License A-38-70-F-R was issued on August 24, 2005.
- II. Spencer is now an indirect wholly owned subsidiary of R.R. Donnelley & Sons Company whose principal executive offices are at 111 South Wacker Drive, Chicago, IL 60606.

The closing date for the purchase was November 9, 2005 and Spencer has assumed all obligations of the facility. A copy of the transaction was submitted to the Bureau of Air Quality on November 21, 2005.

- III. Spencer certifies that there will be no increase in air emissions beyond that provided for in the existing license, either in quantity or type.
- IV. Spencer states that they possess the technical and financial capacity to operate the facility. RR Donnelley operates a number of licensed facilities in North America, Europe and Asia. Thus, the applicant feels confident that there is sufficient expertise in running the plant so as to operate completely within compliance with the license.
