

Dear Interested Citizen:

Thank you for your interest in receiving notification of agency rulemaking proceedings from the Department of Environmental Protection.

The Department of Environmental Protection has available for purchase a subscription service to "Notification of Agency Rulemaking." This notification is sent whenever the Department is undertaking agency rulemaking. It does not include a copy of any regulation that may result from that rulemaking. The fee is \$19.18 annually, it starts January 1st and expires December 31st. Unfortunately, the fee is not prorated if you obtain the service after January 1. You will receive notification of expiration, at which time you may renew your subscription or discontinue the service.

To ensure you receive your notifications in a timely manner, if you have any address or name changes throughout the course of the year, please notify me and I will make the appropriate changes.

If you wish to purchase the subscription service to the "Notification of Agency Rulemaking," please fill out the attached form, and mail along with your remittance to:

Maine Department of Environmental Protection
Attn: Terry A. Dawson, Office of the Commissioner
#17 State House Station
Augusta, Maine 04333-0017

Please do not hesitate to contact me with any questions or concerns. I may be reached at (207) 287-2811.

Sincerely,

T/D

Terry A. Dawson, OS II
Office of the Commissioner
