Ms. Melanie Loyzim
Deputy Commissioner
Maine Department of Environmental Protection
17 State House Station
Augusta, Maine 04333-017

Dear Ms. Loyzim:

Per your inquiry, EPA is currently developing the response to a July 23, 2013 letter and followup information from Fiberight LLC requesting clarification as to whether their material processed from municipal solid waste is a non-waste fuel product under the Non-Hazardous Secondary Materials (NHSM) rule (40 CFR Part 241).

If you have any questions, please contact me at (703)308-0026 or George Faison at (703)-305-7652.

Sincerely,

Jessica Young, Chief
Recycling and Generator Branch
