

Hows Corner Superfund Site
Plymouth, Maine

Certification

Pursuant to Public Law 2007, Chapter 464
An Act to Assist in the Cleanup of Waste Motor Oil Disposal Sites

I hereby certify and swear, under oath and subject to the provisions of 17-A M.R.S.A. Section 451 [Perjury], on behalf of _____, identified as a potentially responsible party at the West Site/Hows Corner Superfund Site, that the following information is true and accurate to the best of my knowledge and belief:

[The appropriate statement(s) from below will be chosen and included for each PRP based on responses in their Questionnaire (i.e. each Certification will be customized for each PRP) – this bracketed line will be deleted in the final draft of the Certification]

1. During all or some portion of the years 1965 – 1980, the business identified above (or its predecessor), performed repairs at repair facilities in the State of Maine, on motor vehicles that were owned by someone other than the business identified above.
2. During all or some portion of the years 1965 – 1980, the business identified above (or its predecessor), owned 3 or more motor vehicles at one time, registered them in the State of Maine, garaged them in the State of Maine and repaired and maintained them in the State of Maine.
3. During all or some portion of the years 1965 – 1980, the business identified above (or its predecessor), performed repairs at repair facilities located in the State of Maine on some or all of the following equipment:
 - (a) equipment that is drawn by a motor vehicle and that is not designed or used to convey property other than hand tools or parts used in connection with the operation of that equipment, including, but not limited to, air compressors, conveyors, cement mixers, wood splitting or sawing machines, sprayers, compactors, pumps, drills and brush chippers, or
 - (b) a self-propelled device operated over the highways that is not designed or used primarily for the transportation of persons or property, including, but not limited to, road construction or maintenance machinery, ditch-digging apparatus, stone crushers, air compressors, power shovels, cranes, graders, rollers, trucks used only to plow snow and to carry sand for ballast, well drillers and wood-sawing equipment used for hire or similar types of equipment.

4. During all or some portion of the years 1965 – 1980, the business identified above (or its predecessor), was a franchised new car and truck dealer licensed pursuant to Maine law.
5. During all or some portion of the years 1965 – 1980, the business identified above (or its predecessor), was a used car and truck dealer licensed pursuant to Maine law.
6. The State of Maine dealer license number for the business identified above is/was _____.
