

DOROTHEA DIX PSYCHIATRIC CENTER
Volunteer Services

Volunteers will need to provide the following immunization information:

- ◆ MMR (Measles, Mump, Rubella)
If born before 1/1/57 – proof of one MMR immunization or show proof of positive MMR titer (blood test)
If born after 1/1/57 – must show proof of MMR vaccination OR show proof of a positive MMR titer

- ◆ PPD (TB skin test) (DDPC will test at no charge to volunteer)
Proof of negative PPD test within 1 year
If positive PPD test, must have proof of chest x-ray within two years and free of TB symptoms for two years (doctor's note)

- ◆ Chicken pox
Proof of immunization, OR
Provide month and year you had chicken pox, OR
Show proof of a positive Chicken Pox titer

- ◆ Hepatitis B
DDPC will provide this vaccine at no charge. If you have had this vaccine, please provide proof. If you are not interested in being vaccinated at this time, a declination form will need to be signed
