Description of Services:

Started by parents and concerned community members who wanted to create more opportunities for children with disabilities, UCP of Maine was incorporated in 1954. Since that time UCP of Maine has developed from a volunteer organization to a non profit full service organization serving children and adults with disabilities and their families.

Current Programs include:

Children's Behavioral Health and Day Habilitation

Ft. James House for Children

Early Childhood Education

Bangor Bridges Preschool

Peace Pals Child Care and Day Treatment for Preschool Children

Parent Support Groups

Camp Capella Recreational Facility

Physical Therapy and Occupational therapy for Children and Adults

Respite

Out Patient Therapy for Adults and Children

Adult Residences

UCP is a great place to set goals and meet new challenges. Our experienced staff supports individuals and families to maximize their abilities and participation in activities while fostering self awareness, growth and personal awareness.
