Description of Services: Adult Community Case Management links a person and their family with services throughout York and Cumberland Counties. We advocate for a consumer, monitor their services, facilitate the annual Person Centered Plan and provide support as needed. Case managers will offer guidance with issues such as Mainecare, Social Security, Work Incentives, Vocational Rehabilitation Services, Community Supports (section 29) and Home Support Needs with section 21 of the mainecare manual. Case management can assist with transportation referrals, medical, dental and psychiatric needs. Please feel free to contact Vicky Shaw to discuss in detail. Clients must first be deemed eligible for services by the Office of Cognitive and Physical Disabilities. (207-822-2000)
