

ORAL HEALTH PROGRAM
Division of Chronic Disease
Maine Center for Disease Control & Prevention
Maine Department of Health & Human Services

2008-2009 SCHOOL ORAL HEALTH PROGRAM

The following is a list of local School Oral Health Programs (SOHP), supported with funding from the Oral Health Program and their respective program directors. This list is current as of November 2008. Although the number of children participating in each local program is usually high, not all children participate in the fluoride mouthrinse or sealant components. If you have any questions about the SOHP, please contact the SOHP program administrator at the Oral Health Program, #11 State House Station; 286 Water St., 5th Floor, Augusta, ME 04333, or phone Nicole Breton at 287-3263 or Anita Ring at 287-3121.

R = FLUORIDE RINSE (weekly .2% sodium fluoride rinse)
T = FLUORIDE TABLET (daily 2.2mg. sodium fluoride - 1mg. fluoride tablet for grades 1-6) and 0.5mg. Fluoride for kindergarten)
E = EDUCATION PROGRAM
S = SEALANT PROGRAM
