

Shared Living Home Visit Review Tool

II. Consumer Status: Whenever possible, consumers should be present during the visit. Report all pertinent observations.

I. Physical Site: Indicate areas that have been assessed during the home visit. Additionally, if the area warrants follow-up, mark the appropriate column. Identify the concern/need in the comment section to discuss and plan for response.

Observations	Assessed	Additional Follow-Up	Guidelines <i>(In addition to MaineCare requirements, the following prompts may be used as points to consider while assessing for health, safety, compliance and good practice)</i>
<ul style="list-style-type: none"> ▪ Cleanliness 			<ul style="list-style-type: none"> ☞ Is facility clean (presence of dirt, trash, unusual odors etc.)? Any recent issues with pest control? ☞ Is the temperature appropriate (consider how the person and staff are dressed, hot/cold water temperature)? ☞ Are personal hygiene and dietary needs addressed appropriately? How/where is food stored? Consider specific arrangements for and needs of the individual re: mealttime, necessary personal care items (soap/towels, deodorant, sanitation, etc.)
<ul style="list-style-type: none"> ▪ Odors 			
<ul style="list-style-type: none"> ▪ Temperature 			
<ul style="list-style-type: none"> ▪ Personal Hygiene 			
<ul style="list-style-type: none"> ▪ Dietary Needs 			
Comments: Note details of concerns or issues to review for follow-up			
<ul style="list-style-type: none"> ▪ Maintenance of home/facility (exterior & interior) 			<ul style="list-style-type: none"> ☞ Is the facility in good repair (working appliances, paint & furniture in good condition, no broken windows, doors etc.)? ☞ Interior and exterior should be free from potential hazards of falls, bodily harm, etc. Considerations to persons or situation posing risk to consumer (elopement, abuse) Anything posing risk/harm to individual's health or safety? Adequate space and lighting. ☞ Fire safety may include escape plans, fire extinguishers, smoke alarms ☞ The prescribed or necessary equipment and/or modification are present, used properly and in good repair (including handrails, ramps; wheelchair, communication device)? Are these approved & do not unduly restrict individual? ☞ Can the individual move safely throughout home, in/out during emergency?
<ul style="list-style-type: none"> ▪ Fire Precautions 			
<ul style="list-style-type: none"> ▪ Environmental Modification 			
<ul style="list-style-type: none"> ▪ Adaptive Equipment 			
<ul style="list-style-type: none"> ▪ Access/Mobility (private/common areas) 			
Comments: Note details of concerns or issues to review for follow-up			
<ul style="list-style-type: none"> ▪ Appropriate Staffing 			<ul style="list-style-type: none"> ☞ Is appropriate staffing allocation observed- Is staffing appropriate, corresponds to person's needs etc., are staffing ratios being met ☞ Appropriate interaction with staff (respectful, attentive, responsive to individual's needs), ☞ Observations of consumer's opportunity for connections through community life including work and personal support networks, express individual choice in decisions (including budgeting, wardrobe, food, activity, visitation). ☞ Any undue restrictions to individual's rights, including privacy, mobility, access to money, food, and personal belongings).
<ul style="list-style-type: none"> ▪ Personal Rights 			
<ul style="list-style-type: none"> ▪ Choice 			
<ul style="list-style-type: none"> ▪ Money, personal belongings 			
Comments: Note details of concerns or issues to review for follow-up			

Shared Living Home Visit Review Tool

III. Consumer Interview: Review domain areas with the consumer, using the prompts to help assess the consumer's overall satisfaction. Efforts should be made to talk with the consumer in areas including health, residence, work/day program, satisfaction with services and supports, quality of life etc. Include comments around assessment for safety, unmet needs, satisfaction etc. Indicate if the domain area was assessed, noting consumer's comments. Determine if the consumer expressed general satisfaction; or specific issues were identified and there is dissatisfaction interpret. The ISC will check areas in which to follow up.

- The consumer was not present at the time of visit. Date of interview if completed at another time. ____/____/____
- The consumer chose not to participate in the interview.
- The consumer's ability to communicate was not sufficient for ISC to assess domain areas by interview.
- Provider or *other*: _____ was present during the interview for assistance, or safety.

Domain Area	Comments	Assessment
General Health/Wellbeing <i>(How have you been feeling? Have you been to the doctor, dentist? Any change to medications?)</i>		<input type="checkbox"/> General satisfaction <input type="checkbox"/> Expressed dissatisfaction <input type="checkbox"/> Follow-up <input type="checkbox"/> Not assessed
Home <i>(How are things at home? Do you like living here? Do you feel safe?)</i>		<input type="checkbox"/> General satisfaction <input type="checkbox"/> Expressed dissatisfaction <input type="checkbox"/> Follow-up <input type="checkbox"/> Not assessed
Home Staff <i>(Do you get along with your staff at home? Do you feel you are treated fair and respected?)</i>		<input type="checkbox"/> General satisfaction <input type="checkbox"/> Expressed dissatisfaction <input type="checkbox"/> Follow-up <input type="checkbox"/> Not assessed
Work/ Day Program <i>(Do you like where you work/go during the day? Would you like to have a [different] job or other place to go? Do you feel safe there?)</i>		<input type="checkbox"/> General satisfaction <input type="checkbox"/> Expressed dissatisfaction <input type="checkbox"/> Follow-up <input type="checkbox"/> Not assessed
Work/ Day Program Staff <i>(Do you like staff who help you during the day? Do you feel you are treated fair and respected?)</i>		<input type="checkbox"/> General satisfaction <input type="checkbox"/> Expressed dissatisfaction <input type="checkbox"/> Follow-up <input type="checkbox"/> Not assessed
Inclusion <i>(Do you have things you like to do outside the house, like shopping, going out to eat, or someplace fun? Does staff help you get out into the community if you want to?)</i>		<input type="checkbox"/> General satisfaction <input type="checkbox"/> Expressed dissatisfaction <input type="checkbox"/> Follow-up <input type="checkbox"/> Not assessed
Relationships <i>(Do you have someone you can talk to about personal things? Do you have help to plan to see friends/family when possible)</i>		<input type="checkbox"/> General satisfaction <input type="checkbox"/> Expressed dissatisfaction <input type="checkbox"/> Follow-up <input type="checkbox"/> Not assessed
Planning/Services <i>(Do you get the services you need? If you want to change something, do you have someone to talk to about it? Are there things that you want to talk about at PCP?)</i>		<input type="checkbox"/> General satisfaction <input type="checkbox"/> Expressed dissatisfaction <input type="checkbox"/> Follow-up <input type="checkbox"/> Not assessed
