Description of Detailed Expenditure Data Subcategories

Federal TANF Expenditures

Reported as Other Emergency Assistance- \$75,0405.35

All expenditures are under the Emergency Assistance Program

The Department of Human Services administers a limited program of Emergency Assistance. The program was originally authorized by the 111th Legislature. This program was authorized under the TANF State Plan.

Payment of services through the Emergency Assistance program is limited to children and their families who are threatened by destitution or homelessness because of emergency situations. The program does not cover all emergencies.

A family's income must be below 100% of the Federal Poverty Level.
