

What **You** Can Do

There are simple things you can do to reduce risk.

LIMIT ACCESS TO ALCOHOL:

If you have alcohol in your home keep track of it.

NETWORK: Get to know your teen's friends, and their parents.

REINFORCE AND ENFORCE:

The rules and consequences of underage drinking should be talked about, and enforced consistently.

CHECK IN OFTEN: Before your teen goes out, ask about adult supervision and if alcohol will be present.

WAIT UP: Either wait up or set an alarm so you can talk with your teen when they come home.
