

IMPORTANT INFORMATION CONCERNING 2012 HALIBUT TAGS FOR RECREATIONAL OR PARTY/CHARTER VESSEL FISHERMEN

Department of Marine Resources (DMR) Regulations require all halibut fishermen to immediately tag their halibut catch. Landing tags must be attached through or around the tail just before the tail fin.

Please note the following:

- Effective January 1, 2011, those who are fishing recreationally in saltwater must register with the Department of Marine Resources. Saltwater Recreational Fishermen may register online at www.maine.gov/saltwater
- Halibut tags may NOT be re-used.
- A payment of \$1.00 per halibut tag must be included with your tag order.

If you have any questions, or if you would like to be added to an e-mail list to periodically receive information concerning the halibut fishery, please contact Trish DeGraaf at 207-624-6554 or trisha.degraaf@maine.gov
