

ESEA FLEXIBILITY
ANNUAL MEASURABLE OBJECTIVES WORKGROUP MTG. #3.
WEDNESDAY JUNE 20, 2012; 12 - 4 PM; CROSS BLDG. ROOM #537

Outcomes

1. Continue to address the elements required in the new AMO system, and
2. Determine specific next steps related to the AMO Group

Agenda

- 12 PM Welcome, overview, and adjustments to the agenda
- 12:10 PM Review of the group's determinations to date
- 12:20 PM Discussion and determination of responses to the following questions from the previous meeting:
1. Should writing scores be included in the AMO methodology? If so, to what extent?
 2. Should other measures, such as attendance, be included?
 3. How should growth be determined?
 4. How will each of the measures be combined to identify schools?
 5. How many categories of school performance should there be? (Under the ESEA Flexibility program, there must be at least three categories.) What terminology should be used to identify each category?
 6. Should the 'n' size currently being used be revised?
 7. Given that schools and subgroups will have different beginning targets, should there be an established threshold?
- 2:15 PM Break
- 2:30 PM Continue addressing the 7 questions above
- 3:45 PM Summary of remaining and/or additional questions to address along with specific needs to support the Workgroup's efforts
- 4 PM Closure: next steps and meeting schedule
