***These credits may be earned through coursework or through completion of an approved in-service program taken since July 1975 and approved by the Maine Department of Education's Certification Office. This requirement may not be met through experience.

Courses must be 100 level or higher from a four-year accredited college offering a bachelor's degree. Required semester hours shall consist of non-duplicative coursework: examples: only one English Composition course or only one Algebra I course.

Section D. may be met through submission of a portfolio. The portfolio may contain evidence of professional development activities or experience. Please ask for portfolio guidelines if you are interested in this option. (The cost of review of a portfolio is \$300, in addition to the cost of the application for certification.) Review of a portfolio does not guarantee acceptance toward requirements.

Special Condition: Evaluation of staff is not permitted until the holder meets the supervision and evaluation requirement.
