

## **MDOE CTE Assessment Group Decision Steps**

- a. Select a program.
- b. Review mandated standards (found on CTE web page).
- c. Determine if program is one or two year.
- d. Review google doc survey results.
- e. Determine and document standards taught.
- f. Specify any universal gaps in standards taught.
- g. Universal gaps determined allowable.
- h. List assessments currently available.
- i. List assessments costs.
- j. Determine if assessment is for one or two year program.
- k. Determine if the summative assessment covers the entire core standard.
- l. Indicate the industry recognized credential (IRC).
- m. Determine national, state or regionally recognized credential.
- n. Whenever possible, select an IRC that we would suggest they get in conjunction with the summative.
- o. If IRC is not all inclusive of all program standards, suggest additional stackable credentials
- p. Research possible stackable credentials
- q. Take to MACTE
