

Individual Score Sheet
FFA Farm Tractor Pre-Operational Check Contest
May 15, 2015

Student Name (First, Last) _____

School _____

Perform a pre-operational check of the farm tractor provided. Do not point to an item on the tractor. Do not speak or whisper or give clues to faults. Do your own work. Anyone suspected of cheating will be disqualified.

In the space below, list (print) the faults you find about the tractor that are unsafe or makes the tractor not ready for operation. Be brief, yet descriptive in identifying the faults. Try to identify as many faults as you can. Use the back of this page if necessary. Each student will be scored on the number of individual faults he/she lists.
