TO: High School Principals and Headmasters

FROM: Kristie Littlefield, Social Studies Specialist; USSYP Coordinator

RE: Your school's nomination for the United States Senate Youth Program

Two Maine high school students will be selected to participate in the 53rd annual United States Senate Youth Program (USSYP) sponsored by the United States Senate with funding and administration by the William Randolph Hearst Foundation. The program will be held in Washington, D.C., March 7 - March 14, 2015. In addition to the **all-expense paid trip to Washington, D.C.**, delegates will each receive a **\$5,000 scholarship** (provided they enroll in an accredited college or university within two years following high school graduation). Additional details may be found in the enclosed brochure and on Maine's USSYP webpage: www.maine.gov/doe/socialstudies/senateyouthprogram.

In Maine, each high school principal may nominate one eligible student for consideration. The enclosed nomination form and accompanying materials must be **postmarked no later than October 10, 2014**.

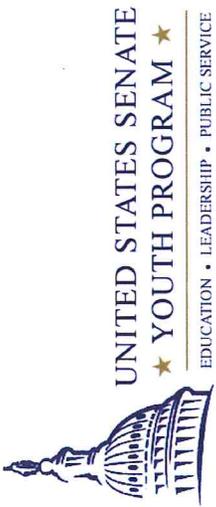

Your nominee must meet the following eligibility requirements:

1. Student is a permanent resident of the United States and one of their parents or guardians is a legal resident of Maine.
2. Student is a junior or senior in a Maine school.
3. Student must be currently serving in one of the following posts for the 2014-15 school year:
 - Member or officer of student council, student senate, or equivalent student government organization.
 - Class officer – president, vice president, secretary, or treasurer.
 - Student representative on a district, regional, or state-level civic and/or educational organization.

In addition to the above criteria, your nominee should have a true interest in government, history, politics, and leadership. High academic achievement, high aspirations, confidence, and creativity are characteristics that define USSYP delegates.

A state selection committee will review the nominations and choose up to ten finalists. Selection will be based upon students' outstanding abilities and demonstrated qualities of leadership. All finalists will be invited to Augusta for interviews to be conducted in November. Announcement of Maine's two delegates along with first and second alternates will be made by mid-December.

Your efforts, on behalf of Maine's young leaders, are much appreciated! If you have any questions, please don't hesitate to contact me via email: kristie.littlefield@maine.gov or phone: (207) 624-6828.

Instructions: Applications are to be completed by the nominee and must be typed and no more than four pages. Use the headings below and organize your responses accordingly. Do not list everything you have accomplished; however, include all pertinent information relevant to your leadership qualities, community or public service, and volunteerism.

Part I Leadership Positions: List all elected or appointed offices held, grades 9-12. You must hold a current office for the 2014-15 school year to apply. List the title of the office(s) and year(s) office was held.

Part II School Activities: List significant school activities (grades 9-12) which reflect leadership capability (e.g. Editor, school newspaper; Key Club, organized community food drive). Identify the group or organization (avoid abbreviations), note your role, and list your length of service.

Part III Volunteerism/Community Service: List major activities not related to school in which you have participated. Include only activities relevant to this scholarship. List the name of the activity and length of service.

Part IV Honors, Awards, Recognition: List major honors, awards, or recognition you have earned that relate to this scholarship. Include the name of the honor and the year received.

Part V: Statement of Future Aspirations: Compose one paragraph about your future plans and goals.

Part VI: Essay: Write an essay no longer than 500 words on a significant issue currently before the U.S. Congress. Identify and describe the issue. State major points of view on the issue. Outline your position on the topic. You will be assessed on how well you support your position with evidence, not on the topic or position you choose. References should be cited. Language usage, spelling, and grammar will also be assessed.
