Purpose: The Summary of Performance (SOP) is required under the reauthorization of the Individuals with Disabilities Education Act (IDEA) 34 CFR 300.305(e)(3) and must be completed on this form and format. The SOP is important to assist the students graduating from high school to higher education, training and/or employment. The SOP is needed for students graduating with a standard diploma and for students who have exceeded the age of eligibility (age 20) for special education services. *These recommendations should **not** imply that any individual who qualified for special education in high school will automatically qualify for Section 504 services in a post-secondary education or employment setting. Post-secondary settings will continue to make eligibility decisions on a case-by-case basis when a student self identifies to a post-secondary institution.*
