What Veteran Services Are Important to You?

Please check the Maine services you would like someone to contact you about.

Veterans' Health Administration (VHA)/Maine VA Health Care System

_____ If you are not enrolled (completed VA Form 10-10EZ) with the Veterans' Health Administration (VHA), would you like assistance to complete the VA Form 10-10EZ?

_____ Women Veterans: Would you like the VHA Women Veterans' Program Manager to contact you and share information on women veteran health care services? If you are enrolled, and you do not have a VHA health care ID card, do you want to know where to get one?

If you are enrolled, and you do not have a VA health care ID card, you can call the Togus VA Medical Center at 1-877-421-8263 and ask for the nearest VA facility with the capability to make ID cards. This web site provides general VA ID Card guidance: www.va.gov/healtheligibility/application/IDCard.asp .

Veterans' Benefits Administration (VBA)/Maine VA Regional Office

_____ If you have not applied for compensation and/or pension benefits (completed VA Form 21-256) with the Veterans' Benefits Administration (VBA), would you like assistance to complete VA Form 21-256?

_____ Women Veterans: Would you like the VBA Women Veterans' Coordinator to contact you with information about VA benefits?

Important: If you file a claim or claim appeal, consider representation. With your authorization, you can be legally represented by a state or veteran service organization representative, claims agent or an accredited attorney. These individuals will ensure your claims package is completed correctly throughout the initial application as well as follow-up claims and/or appeals processes. Call Maine Veterans' Services or go to the web sites listed on the attached resource list to locate an officially-sanctioned claims representative.

VA Vet Center Services

_____ Would you like a VA Vet Center employee to contact you regarding eligibility for readjustment services and/or referral for other services? Vet Centers maintain strict confidentiality.

Maine Veterans' Services (MVS)

_____ You and your spouse are eligible to apply for Maine Veterans' Memorial Cemetery services. Would you like a MVS employee to contact you?

Important: Verify that MVS has your military service discharge form on file--DD214, NGB22 or other official discharge form. Your military discharge form is not automatically sent to Maine from DOD or another state. Call 207-626-4464 or e-mail to mainebvs@maine.gov.

Maine Veterans' Homes (MVH)

_____ If you have one day or more of active duty service for other than training, you and your spouse are eligible for admissions consideration. Would you like a MVH employee to contact you?

Contact Resource List: See the attached list of resources you can connect with for assistance. We highlighted some of the most frequently used services for quick reference.

Connect with These Veteran Resources

We greatly appreciate your service to our nation. As you make life plans, we hope you will access Maine's veteran service community to learn about the local, state and federal benefits. Maine has a long and proud heritage of women and men serving on behalf of our nation and our communities continue to express their interest in reaching out to veterans. They provide a vast array of services and opportunities.

Far too few women veterans access Veterans' Administration (VA) and other agency services or do not take the time to apply for assistance. If you or someone you know served in the military, non-combat or combat, it's important for you to become familiar with available veteran health care and benefits. Please do so now...it's all about helping you make decisions that promote your self-reliance through day-to-day money management and lifelong self-sufficiency planning.

Important: If you file a claim or claim appeal, consider representation. With your authorization, you can be legally represented by a state or veteran service organization representative, claims agent or an accredited attorney. These individuals will ensure your claims package is completed correctly throughout the initial application as well as follow-up claims and/or appeals processes. Call Maine Veterans' Services or go to the web sites listed above to locate an officially-sanctioned claims representative.

Joining a veteran service organization will also help you stay informed of new benefits and services. These organizations provide an opportunity for you to connect with other veterans. Networking and membership are critical to ensuring veteran services continue to improve the next few decades at the state and national levels.

You're part of Maine's community of well over 140,000 proud veterans--10,000+ Maine women veterans and 2 million women veterans nationwide...make time to plan for your future!
