Summer 2010 OSHA Reauthorization Update Classes

502 Construction Industry Update
August 16th-18th

503 General Industry Update
August 23rd-25th

Class location to be in either Augusta or Fairfield
Location to be announced

Maine SafetyWorks is working on the registration details.

Cost: \$225.00 per person, per course.

This is a greatly reduced price—**saving \$660 per class & no out of state travel!**

MDOE-CTE will also be offering limited reimbursement funding to centers/regions who send instructors into the "Train the Trainer" or Update classes.

More details to follow.
