http://www.safetyworksmaine.com/about/training_institute.html

MDOE-CTE OSHA Reimbursement offer:

MDOE-CTE will reimburse \$225.00 to centers/regions for each instructor who successfully completes the #511 and #501 courses offered as part of this MDOL/OSHA/CTE arrangement.

MDOE-CTE will also reimburse \$125.00 for each instructor who successfully completes the #503 course offered as part of this MDOL/OSHA/CTE arrangement.

Currently, reimbursement funding is available for this series of MDOL/OSHA/CTE classes. More details are to follow once courses are completed.

In YR2012,
only **Construction** courses will be offered.

Courses will be offered one time in this calendar year (2011)

Registration Form will be available soon at:
