## **Outing Club Grants Available**

**Teens to Trails** is putting funds directly into the hands of outing clubs to help new high school clubs get started, as well as assist existing clubs in strengthening their programs. With the generous support of L L Bean & the Quimby Family Foundation, we hope to reach 6 or 7 clubs this year with grants of about \$500 each. There is a simple application process. Requests are due December 1<sup>st</sup>, with notification to grant recipients just after the holidays.
