

**Approved Bilingual Dictionaries
for use on the Maine Educational Assessment (MEA)
by ELL students with approved accommodation P10 and/or R7.**

The Maine Department of Education authorizes the following bilingual dictionaries for use on the MEA. Bilingual dictionaries are limited to those that provide word-to-word translations only. Whenever possible, dictionaries with two-way translations (e.g., English-Spanish/Spanish-English) have been included.

Any student who currently is, or was in the past, an English Language Learner may have access to an approved bilingual dictionary if that accommodation (P10 and/or R7) has been approved by a team for the MEA. For more information on accommodation policies, please refer to “Policies and Procedures for Accommodations and Alternate Assessment” located at <http://www.state.me.us/education/mea/admininfo.htm> .

Approved bilingual dictionaries are limited to those that provide word-to-word (or word-to-words) translations, but no definitions. The use of dictionaries of all kinds is prohibited on the Maine English Language Proficiency Assessment (ACCESS for ELLs®).

While we prefer to include a word-to-word dictionary for every language spoken in Maine public schools, there are languages spoken in Maine for which no allowed dictionary is available. Also, languages exist that have only oral, and no written, traditions. In addition, students from diverse language groups continue to join our schools. We welcome your suggestions for additional entries and deletions to help us maintain a comprehensive and current list. Please communicate this information via e-mail to esl.doe@maine.gov or by phone to 207 624-6788.

We hope that the use of a word-to-word dictionary will prove to be a helpful MEA accommodation for your English language learners who may be struggling to demonstrate their skills in a new language.
