RE: City of Brewer High School District

Dear Scott:

As we discussed, the approvals for the Brewer project have been made by the State Board of Education but in the name of the Brewer School Department. The approvals by the State Board should be made in the name of the City of Brewer High School District, the entity that will be issuing the bonds and is responsible for constructing the project. We discussed asking the State Board to amend its previous approvals for this project to reflect accurately the name of the District. Please ask the Board to consider this issue at its next meeting.

Thank you for your help with this matter. Please do not hesitate to call me should you have any questions.

Very truly yours,

Robert P. Nadeau
