

# Comparison of Programs SFSP/NSLP/Seamless Option

This is a comparison between the various Child Nutrition summer feeding programs. The purpose of this comparison chart is to inform and encourage more School Food Authorities (SFAs) to provide meals in the summer and other times when school is not in session. Both the Summer Food Service Program and Seamless Summer Option reduce paperwork and administrative burden, making it easier for SFAs to feed children in low-income areas during the summer months or during the extended breaks of a year-round school schedule.

Areas where the provisions in the Seamless Summer Option are same as SFSP, rather than NSLP, are highlighted as **Same as SFSP**.
