

How to find fishing regulations for waters in this county.

1. Determine the waterbody you are going to fish.
2. Review the Statewide General Law Fishing Regulation Section.
3. Review the Western and Northern County Fishing Rules Section.
4. Review the list of waterbodies in the County that have special regulations (S-Codes or written).
 - a. If the waterbody you are going to fish is listed the special rules take the place of the standard regulations for those items listed (i.e. season, daily limits, etc.)
 - b. If the waterbody you are going to fish is not listed then Statewide General Law and Western and Northern County Regulations Apply.
