RE: Priorities for bills on Appropriations Table

Pursuant to Joint Rule 314(7), we are reporting the priorities for the Health and Human Services Committee for final passage of bills reported out of our committee that are now on the Appropriations Table. Please note that this list is incomplete. The committee has a number of bills that are expected to proceed to the Appropriations Table that are not there yet and so were not on our list for voting.

Attached are forms from each committee member indicating how the member voted on the priority recommendations.
