RE: **Priorities for bills on Appropriations Table**

Pursuant to Joint Rule 314(7), we are reporting our committee's priorities for final passage of bills reported out of our committee that are now on the Appropriations Table.

Attached are forms signed by each committee members indicating how they voted on the priority recommendations. Ten of thirteen committee members provided recommendations. Rep. Wood declined to prioritize the bills and Rep. Eberle only supported funding for LD 559.

The summary of the priorities were derived by dividing the sum of the rankings for each bill by the number of committee members that ranked that particular bill.

LD	priority
213	1

559	6
637	3
