

**COMMUNITY-BASED RENEWABLE ENERGY (CBRE)
RENEWABLE ENERGY MEETINGS
SUMMARY PACKET**

Policy Decisions

- Should the CBRE program be expanded?

Policy Options

- Extend the repeal date
- Increase the statewide cap from 50 MW to 60 or 75 MW
- Increase the cap price per kWh for solar energy

For more information on CBRE, please see section 5 of the white binder from the Public Utilities Commission and the summary packet on the feed-in tariff program.
