**STATE OF MAINE  
WORKERS' COMPENSATION BOARD**

June 18, 2000

The Honorable Michael H. Michaud  
Senate President  
3 State House Station  
Augusta, Maine 04333-0003

Dear Senator Michaud:

Enclosed please find a copy of the Workers' Compensation Board's Quarterly Compliance Report compiled for the fourth quarter of 2000.

The Workers' Compensation Board has also initiated an audit program to review the activity of insurance carriers, self-insureds, and third-party administrators pursuant to P.L. 1997, Chapter 486. A three-year audit cycle has been approved by the Board and audits are being conducted on a regular basis.

The Monitoring, Audit and Enforcement Program is already having a significant impact on compliance in the State of Maine and it is anticipated that this positive trend will continue to improve as envisioned by the Governor, the Legislature, and the Workers' Compensation Board as reflected in P.L. 1997, Chapter 486.

The Workers' Compensation Board is pleased with the results of the MAE Program and is convinced that the program bodes well for even better compliance in the future.

Sincerely,

S/Paul R. Dionne  
Executive Director

Dear Secretary Cahill:

I am pleased to announce that on Tuesday, July 30, I will be awarding the July "President's Cornerstone Award for Business" to Frosty's Donuts in Brunswick. June and Robert Frost, who own the company, will accept the award at their donut and coffee shop on Maine Street in the presence of their employees.

The Frosts have owned Frosty's Donuts for 37 years. The longevity of their ownership and the quality product they produce make Frosty's perhaps the most recognizable business on Maine Street. The bakery has a long history of supporting non-profit organizations in and around Brunswick, such as the Tedford Shelter for homeless families and the Red Cross. They also sponsor local youth sports teams. The couple is very active in area churches and nursing homes and other charitable causes too numerous to mention. It is this civic involvement, along with their commitment to baking a quality product, that puts Frosty's at the forefront of Maine's unsung heroes.

Senator Beth Edmonds, who nominated the company for the award, and Representative Stan Gerzofsky will be on hand when the award is presented. June and Robert Frost represent what is best about Maine people, their work ethic and their community spirit. I am pleased to honor them for their investment in Maine's economy, its people, and our future.
