

**STATE OF MAINE
ONE HUNDRED AND TWENTY-FIRST LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Tuesday
May 20, 2003

Comes from the House, **PASSED TO BE ENGROSSED AS AMENDED BY COMMITTEE AMENDMENT "A" (H-356) AS AMENDED BY HOUSE AMENDMENT "A" (H-383)** thereto, in **NON-CONCURRENCE**.

On motion by Senator **GAGNON** of Kennebec, **TABLED** until Later in Today's Session, pending **FURTHER CONSIDERATION**.

Senate called to order by President Beverly C. Daggett of Kennebec County.

Prayer by Reverend Stephen White, St. Andrews Episcopal Church in Newcastle.

REVEREND WHITE: Let us pray. God of mercy and compassion, who knows our nature, who loves us beyond our understanding, and who guides us into greater service, hear the prayers of the Senators gathered for this sacred moment of quiet. Help them to work with Thee, oh God, that this may be a good day, which good things accomplished by good people for the common good. We know that a better world cannot be built by indifferent people, so may there be no apathy in this place, no luke-warmness in the cause of right. May they be passionate for justice, creative for new answers, and alive to new possibilities. Give them ears to be attentive to their constituents, patience for the work that is before them, and a will to be open to one another. In the midst of today's activities, make them aware of Your invisible presence, oh God, that out of the confusion of issues, may come directness of plan, out of fear may come confidence, out of hurry may come the willingness to wait, and out of frustration may come rest and strength. Oh God, direct our Senators to do what is right for God's sake and for the sake of peace and good conscience. Bless and guide them and their families. May they always find support in the gratitude of their fellow citizens and the love of their God. Amen.

Comes from the House with the Majority **OUGHT TO PASS AS AMENDED** Report **READ** and **ACCEPTED** and the Bill **PASSED TO BE ENGROSSED AS AMENDED BY COMMITTEE AMENDMENT "A" (H-398)**.

Reports **READ**.

Senator **BRENNAN** of Cumberland moved the Senate **ACCEPT** the Majority **OUGHT TO PASS AS AMENDED** Report, in concurrence.

THE PRESIDENT: The Chair recognizes the Senator from Waldo, Senator Weston.

Senator **WESTON:** Thank you, Madame President, ladies and gentlemen of the Senate. This bill represents a problem that I think the solution is one that could have a remedy itself. We were presented with TANF and Aspire recipients who claimed they were not being given proper information by their caseworkers and were not being given information that could lead them to better decision-making. The Department of Human Services response was to turn that responsibility over to volunteers and create another bureaucratic level, a support group. I think that a support group would probably be beneficial to both those giving and receiving, but I do not think that the legislature should be requiring it in statute. The time spent that this bill would require by the department, could be better spent asking the very caseworkers, whose job this is, to do a better job. These are people who are knowledgeable, have been trained, and who are being given a salary to help these recipients. What we heard was that this is not happening. The department's response is not to make sure that these people, who are being hired to do this job, do it well. Instead, they are putting a second layer between the TANF recipient and the caseworker. That is happening on an informal basis now. I think the best thing that could happen is for our caseworkers to be reaching out, knowledgeably, to each one of these recipients and helping them through this process. I ask you to not support this bill and allow the department to do the job they are required to do. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Brennan.

Senator **BRENNAN:** Thank you, Madame President, men and women of the Senate. While I appreciate the comments of the good Senator from Waldo, Senator Weston, I respectfully disagree. This is a very straightforward bill and was worked by the committee. It was brought forward by the sponsor, and we asked the sponsor to go and work with the Department of Human Services. The Department of Human Services came back with an agreement. There was an amendment adopted by the committee.

What this bill simply does is establish, on a demonstration project, a peer support program for TANF recipients. The testimony that we heard was that sometimes people who are in the TANF program have difficulty working with their case manager, from the perspective of having a colleague type relationship. All this bill does is establish a demonstration project

where other peers will be working with people in the TANF program to provide support for them and to provide information to them. It hardly creates a new bureaucracy. It hardly takes away the role of the case manager, at this particular point. It simply sets up a demonstration project to allow peers, who have been in the TANF program, to work with other people that are coming into the program to assure that they get the appropriate support and appropriate information. I wholly support the majority Ought to Pass report.

Senator **DAVIS** of Piscataquis requested a Division.

THE PRESIDENT: The Chair recognizes the Senator from Waldo, Senator Weston.

Senator **WESTON:** Thank you, Madame President, men and women of the Senate. I don't know what your definition of bureaucracy is, but this particular program will require a training program, a management team set up in 4 areas, and it will require regular meetings with management. This is a level of bureaucracy that is going to take time away from those very management people, the employees, and the caseworkers, who should be working individually with the recipients. I would rather that happen. That those recipients have one-on-one with a knowledgeable caseworker instead of having the caseworkers become managers of a program.

At the request of Senator **DAVIS** of Piscataquis a Division was had. 18 Senators having voted in the affirmative and 17 Senators having voted in the negative, the motion by Senator **BRENNAN** of Cumberland to **ACCEPT** the Majority **OUGHT TO PASS AS AMENDED** Report, in concurrence, **PREVAILED**.

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Douglass.

Senator **DOUGLASS**: Madame President, I wish simply to put on the record, for the benefits of members of the Senate, that this what is called the omnibus bill that Education Department puts forward every year to make minor corrections. In this bill, there are provisions that update our laws with regard to the definition of the homeless and also those who receive special education services. There is one item in the special education services that I wanted to point out. That is that at one time we had a classification called serious emotional disturbance. That was a label that many people who are receiving services, both students and their families, had great difficulty with. It was preferable to them to have the category be called emotional disability. I wanted to just let the body know that the language is the same, in terms of getting federal funding, but the label is now emotional disability. That was accepted and has been used for a period of time by the school facilities without incident. Therefore, I recommend passage of this bill. Thank you.

On motion by Senator **DOUGLASS** of Androscoggin, the Majority **OUGHT TO PASS AS AMENDED BY COMMITTEE AMENDMENT "A" (S-201)** Report **ACCEPTED**.

THE PRESIDENT: The Chair recognizes the Senator from Oxford, Senator Bennett

Senator **BENNETT:** Thank you, Madame President. I rise to support the motion by the Senator from Kennebec, Senator Gagnon. This proposal before us will, in my view, fulfill the promise of the Clean Elections Act by closing the loophole that has troubled the act since its passage. I congratulate the committee for working in a bipartisan fashion in order to close this troubling loophole that has alluded heretofore, due to constitutional issues, the effective work of the legislature. I know that there is a minority report here, but I understand further that the two proposals, both Ought to Pass reports, differ in rather small ways. The essence of this report is maintained in the committee majority report, which has been achieved in a very deliberative, thoughtful, and cooperative fashion. I encourage your support of the pending motion.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Edmonds.

Senator **EDMONDS:** Thank you, Madame President, men and women of the Senate. I just want to also echo the words of the good Senator from Oxford, Senator Bennett. This bill was my bill and I'm very tickled that people worked so hard to come to some good agreement. I think all of us will benefit and I deeply appreciate the work of the committee. Thank you.

ORDERS OF THE DAY

Unfinished Business

The following matter in the consideration of which the Senate was engaged at the time of Adjournment had preference in the Orders of the Day and continued with such preference until disposed of as provided by Senate Rule 516.

The Chair laid before the Senate the following Tabled and Later (5/7/03) Assigned matter:

SENATE REPORTS - from the Committee on **BUSINESS, RESEARCH AND ECONOMIC DEVELOPMENT** on Bill "An Act to Amend the Membership of the Propane and Natural Gas Board"

S.P. 49 L.D. 126

Majority - **Ought Not to Pass** (8 members)

Minority - **Ought to Pass as Amended by Committee Amendment "A" (S-20)** (5 members)

Tabled - May 7, 2003, by Senator **WOODCOCK** of Franklin

Pending - motion by Senator **BROMLEY** of Cumberland to **SUBSTITUTE THE BILL FOR THE REPORT**

(In House, April 29, 2003, the Minority **OUGHT TO PASS AS AMENDED** Report **READ** and **ACCEPTED** and the Bill **PASSED TO BE ENGROSSED AS AMENDED BY COMMITTEE AMENDMENT "A" (S-20) AS AMENDED BY HOUSE AMENDMENT "B" (H-120)** thereto, in **NON-CONCURRENCE.**)

(In Senate, May 7, 2003, on motion by Senator **BROMLEY** of Cumberland, **RECEDED** from **ACCEPTANCE** of the **MAJORITY OUGHT NOT TO PASS** Report. Same Senator withdrew her motion to **ACCEPT** the Majority **OUGHT NOT TO PASS** Report.)

On motion by Senator **BROMLEY** of Cumberland, **THE BILL WAS SUBSTITUTED FOR THE REPORT.**

Under suspension of the Rules, **READ TWICE.**

THE PRESIDENT: The Chair recognizes the Senator from Washington, Senator Shorey.

Senator **SHOREY:** Thank you, Madame President, men and women of the Senate. I rise today to oppose this bill and request we vote Ought Not to Pass on it. This bill has many problems on many different levels. As you can see by the majority report, the Ought Not to Pass, the committee also saw this. In the years past, this committee has looked to reduce the number of members on all the boards. What we did was said there is a cost involved here, we do not need to have more members on the board, and we decided we would make a conscience effort to reduce the number on the board.

What this would do is increase the number of this board. It would also make it so that the opportunity would arise for a deadlock. Right now there are currently 8 members on the board with one non-voting. This would make it so you could have an opportunity for a deadlock. Also what this does is adds a labor union member onto the board. I really don't understand why we need to do that. There is no reason. There is nothing wrong with the board right now the way it is. The Governor has the opportunity, if he wants, to specify a member of the labor union, a member of management, anybody that he wants to put on, he can put them on. What we have done is create a special niche here, for a reason that was not explained to the committee appropriately, obviously, because of the Ought Not to Pass by the committee. It creates a special niche. The Chief Executive is, basically, forced to put someone on there, even someone he may not want to put on. I would ask for a division and ask that you vote Ought Not to Pass. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Bromley.

Senator **BROMLEY:** Thank you, Madame President, men and women of the Senate. I appreciate the good Senator from Washington, Senator Shorey, comments on the bill. I have to say that the committee did have some concerns, initially, about adding members to the board. That was the reason for the Ought Not to Pass report. There was an amendment put on in the other body that substituted, took one person off and inserted a member of labor. The original bill is preferable, in our belief, to the amendment, which goes back to the original bill and adds the additional person from organized labor. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Washington, Senator Shorey.

Senator **SHOREY:** Thank you, Madame President. I would remind the body that the committee voted Ought Not to Pass on the original bill, not the amendment. Thank you.

Senator **BENNETT** of Oxford rose to a **POINT OF ORDER** as to whether the Bill was in compliance with Joint Rule 312, Fiscal Notes.

The Chair **RULED IN THE AFFIRMATIVE, THE BILL IS IN COMPLIANCE WITH JOINT RULE 312, FISCAL NOTES HAVING BEEN REPORTED OUT OF COMMITTEE AS AMENDED.**

Senator **SHOREY** of Washington moved to **INDEFINITELY POSTPONE** the Bill and accompanying papers, in **NON-CONCURRENCE.**

On further motion by same, supported by a Division of at least one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Oxford, Senator Bennett.

Senator **BENNETT:** Thank you, Madame President and fellow members of the Senate. I raised the point of order earlier on this matter because I do believe that the Joint Rules are a little ambiguous about this and I certainly respect the President of the Senate in ruling the way that she did. Any one of us may have ruled that way as well. In my reading of Joint Rule 312, there are two conditions that require a fiscal note. The first is that the bill or resolve does, in fact, affect state revenues, appropriations, or allocations. The Office of Fiscal and Program Review have, in fact, showed that. Secondly, the other condition is that the bill has a committee recommendation, coming out of committee, other than ought not to pass or referral to another committee. In other words, I think these two conditions were, in fact, met. Although the committee amendment may not be before us at the present time, I think it's just a very bad precedent to set, whether or not the ruling was correct. I think it's a very bad precedent to set for us to engross bills without an acknowledgement of their fiscal impact. For that purpose, I would encourage you to vote to Indefinitely Postpone this bill.

THE PRESIDENT: The pending question before the Senate is the motion by the Senator from Washington, Senator Shorey to Indefinitely Postpone the Bill and accompanying papers, in non-concurrence. A Roll Call has been ordered. Is the Senate ready for the question?

The Doorkeepers secured the Chamber.

The Secretary opened the vote.
