

## LIST OF PREPARERS

---

<b>Name, Registrations, and Affiliation</b>	<b>DEIS Responsibility and Qualifications</b>
David Blaha, A.I.C.P ERM	Partner in Charge B.A., Biology Master of Environmental Management  26 years of experience in environmental assessment, natural and cultural resource management, and land planning for local, state, regional, and federal governments in the U.S. and internationally.
Larry Ward, JD ERM	Senior Consultant B.S., Business J.D., Law  28 years experience in managing projects for and providing regulatory compliance support to DOD clients. Ten years of practicing law and supervising legal offices on military installations, with experience in criminal law, claims, litigation, environmental compliance, occupational safety and health, and administrative law governing military installations.
Jason Willey ERM	Project Manager B.S., Biology M.S., Environmental Science and Policy  Eight years experience in environmental impact assessment and natural resources management. Specialized in impact assessment for primary industry clients and the US military.  <i>Sections Prepared: Executive Summary, Introduction, Description of Proposed Action and Alternatives, Biological Resources, Cumulative Impacts, Summary of Findings, Special Procedures, References</i>
Bill Sadlon ERM	Deputy Project Manager Visibility, Land Use, Infrastructure B.A. Environmental Biology M.S. Environmental Management, (expected 2010)  6 years of experience in environmental consulting conducting Environmental Assessments and Environmental Impact Statements, wetland delineations, Environmental Baseline Surveys, and in environmental permitting.  <i>Sections Prepared: Safety, Airspace Management</i>

---

<b>Name, Registrations, and Affiliation</b>	<b>DEIS Responsibility and Qualifications</b>
Adeyinka Afon, P.E. ERM	Project Scientist B.S. Chemical Engineering M.S.E. Environmental Process Engineering  Five years experience in environmental impact assessments, feasibility studies, and environmental permitting & compliance with specialization in air quality, air emissions inventory, noise, and vibration.  <i>Sections Prepared: Noise, Air Quality</i>
Benjamin Sussman ERM	Project Scientist B.S. Science, Technology, and Society M.S. City and Regional Planning  Nine years experience in local and regional comprehensive planning, water resources planning, transportation planning, and urban design. EIS and EA evaluations of land use, transportation, socioeconomic, and environmental justice impacts.  <i>Sections Prepared: Land Use, Socioeconomics, Cultural Resources</i>
Matthew Teitt ERM	Project Scientist B.S. Forestry and Wildlife M.S. Environmental Science and Planning  Four years experience in conducting aquatic, estuarine, and terrestrial ecological and aesthetic impact assessments, environmental construction mitigation and monitoring plans, and integrated natural resources management.  <i>Sections Prepared: Biology, Soils</i>
Mike Lucas TEC/Ingersoll Rand	Noise Sub-consultant B.A. Physics, M.S. Fluid Dynamic, M.S. Mechanical Engineering,  Author of MR_NMAP and ROUTEMAP. Both MR_NMAP and ROUTEMAP have been adapted by the Department of Defense as the official methodology for calculating noise levels under military airspace. National Board Certified in Acoustics with over 20 years of experience in environmental noise working on projects for the DoD and NASA. Has conducted noise analyses and prepared the noise sections for more than 60 EISs and EAs for DoD projects.  <i>Sections Prepared: Noise</i>
