

Highway Simplification Study Policy Working Group

Comment Form

The 15-member Public Work Group (PWG) working to assist MaineDOT on a directive from the Maine Legislature's to simplify the existing road classification system. The PWG is interested in hearing what you have to say about the study.

Please feel free to complete the form below and return it to *MMA's Kate Dufour at kdufour@memun.org or by fax to 624-0129*. Comments will be considered by the PWG. It is possible that someone will be contacting you regarding your comments, so please provide a telephone number or e-mail address.

Thank you for participating in this important endeavor.
