Subject: **Madrid**
State Project No. 010019.00
Amendment No. 5

Dear Sir/Ms:

Please make the following changes to the Bid Documents:

In the Plans – Page 7 of 302 - Construction Notes – Add the following in pen and ink.

40. The Contractor may retain 50% of the existing bituminous material removed from the existing roadway surface. The Department and Contractor shall mutually determine the limits of the full depth existing pavement removal to become the property of the Contractor. The remaining 50% of the existing bituminous material removed from the existing roadway surface will be hauled to the Dallas Plt. Maintenance Lot on Rte XXX. Removal & Hauling of this material will be paid under 203.20 – Common Excavation. Full width areas that will be retained by the Contractor and hauled to the State will be agreed in the field, from station to station.

41. Recycled bituminous material will not be allowed to replace or be blended with item 304.10 - ASCG.

Consider this information and changes prior to submitting your bid on **June 25, 2008**.

Sincerely,

Scott Bickford
Contracts & Specifications Engineer
